## CAREER OBJECTIVE

Experienced PHP Laravel Developer with 1 year of professional experience at Webvire Software Solutions. Passionate about building scalable web applications and writing clean, efficient code. Seeking opportunities to contribute my skills in PHP, Laravel, JavaScript, and MySQL to a dynamic development team.

## TECHNICAL SKILLS

| Programming Languages         | Frameworks & Tools   | Database Management | API Integration |
|-------------------------------|----------------------|---------------------|-----------------|
| C, C++, PHP                   | Laravel, CodeIgniter | MySQL               | REST APIs       |
| Web Technologies              | Version Control      |                     |                 |
| HTML5, CSS3, JavaScript, AJAX | Git, GitHub          |                     |                 |

## PROFESSIONAL EXPERIENCE

Webvire Software Solutions | PHP Laravel Developer

Feb 2024 - Present

- Developed and maintained web applications using PHP & Laravel.
- Designed and optimized MySQL databases for efficient data handling.
- Integrated REST APIs and third-party services for enhanced functionality.
- Collaborated with cross-functional teams to deliver high-quality projects.
- Debugged and resolved issues to improve application performance.

## PROFESSIONAL QUALIFICATION

Sacred Heart Degree College, Sitapur | BCA

2021 - 2023

Earned a Bachelor of Computer Applications (BCA) degree from Sacred Heart Degree College in Sitapur, affiliated with CSJM University.

## INTERNSHIPS & TRAINING

Analyze Infotech

- Completed a 6-month internship at Analyze Infotech in Lucknow, where I gained hands-on experience in web development using PHP, HTML, CSS, and JavaScript.
- Completed a 3-month summer training program at Analyze Infotech, where I gained practical experience in Java programming and MySQL database management.

## ACADEMIC QUALIFICATIONS

Completed Senior Secondary (12th) education from City Montessori Inter College, Lakhimpur in 2020, building a strong academic foundation. Prior to that, successfully completed Higher Secondary (10th) from K.S.M Inter College, Mitauli Kheri in 2018. Developed a keen interest in technology and problem-solving during these formative years.

## PROJECTS

E-Commerce Platform (Laravel 11)

- Designed and built a feature-rich e-commerce website using Laravel 11, integrating product management, user authentication, and secure payment processing.

SocialX – Social Media Platform

- Created a social media-style website that allows users to connect, share posts, and interact with each other, focusing on user engagement and real-time updates.
